

Sean McCarthy – Industry Executive and Senior Vice President and Client Partner of Mantissa Group LLC

Sean McCarthy is an Insurance Industry veteran and Senior Vice President / Client Partner with Mantissa Group LLC, a strategy consulting firm serving the CIO executive and their extended leadership teams. He is a seasoned insurance industry executive with deep experience in professional services sales, delivery and client engagement. Sean joins the firm as a senior leader with the company charged with leading company growth and will serve as member of the Mantissa Group senior leadership team.

Sean has developed a professional reputation for consistently developing strong working relationships with **senior business and technology leadership**. He offers in-depth **domain expertise** with Life & Annuity, Property Casualty, and Healthcare. Sean is highly experienced in the technology sector and has an extensive portfolio working with both fortune 100 companies and boutique firms across the country. His varied skillset spans a career including technical roles, sales and client engagement, and entrepreneurial ventures.

Mr. McCarthy joins Mantissa Group as a seasoned executive with a broad range of experiences. It is this diversity of skills that will be leveraged in his responsibilities with Mantissa Group.

Sean's most recent experiences was as an entrepreneur in technology consulting, founding Forte Consulting Group in 2013. Prior to that, Sean served in various roles for nearly two decades with responsibilities that spanned client services, software sales and services, and delivery across multiple firms. Sean has served as mentor and coach to various rising professionals during his career and has a strong sense of volunteerism and community engagement. He started his career in technical roles where he learned the industry in a hands-on manner. Sean brings executive expertise, industry knowledge, and a strong executive presence to the role at Mantissa Group.

Mr. McCarthy earned a BS Degree in Business Administration with a concentration in Management Information Systems and Marketing from the University of Connecticut.
